All of us came to college with
the desire to learn, to develop,
to gain knowledge. Although we
sometimes had strange ways of
showing this aim, all of us left
better equipped to meet the
world face onward.

FAMILIAR HAUNTS

Our memories will include not only fun, friends, and classes, but also the campus in itself. The Corduroy, the Pillars of Thaw, the Steps, the Tower, perhaps a favorite tree that had to be held up, or maybe just a bench—these things will also remain in our thoughts.

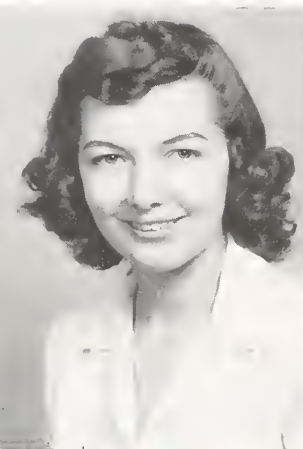

THE CAMPUS RANG WITH MARCHING FEET

In the March of 1943 something new was added to our cloistered college life. American soldiers moved into our campus bringing with them the spirit of the American youth. It was our generation. To these men who have been trained beside us and who shall soon fight for us we dedicate our 1944 "Chilhowean," with the hope that soon the whole world—a better world—will ring with the tramp of their feet toward home.

Gone forever are the days of 1943 and 1944, days of fun and laughter, of learning and development. Yet long will their influence remain with us. We begin to realize that Maryville has become a part of us even as we have been a part of Maryville. We have become instilled with the ideals and traditions of our Alma

Mater. Consciously or unconsciously we have assimilated some of the finer intangible things that college life offers.

It is our hope in publishing this annual that it will always prove a storehouse of happy memories for you.

President of Maryville College

P R E S I D E N T

DR. RALPH WALDO LLOYD

•

Ralph Waldo Lloyd, B.A., B.D., D.D., LL.D., has been President of Maryville College since 1930. The great progress of the College in the past years is due principally to his energy and efforts. Dr. Lloyd has demonstrated remarkable ability as a Christian leader, and is known throughout educational circles for his experience and enthusiasm. He is intensely human and possesses a great breadth of interest.

Graduated from Maryville College in 1915, he received his Bachelor of Divinity degree from McCormick Seminary in 1924, the title of Doctor of Divinity from his Alma Mater in 1929, and Honorary LL.D. from Centre College in 1940.

PRESIDENT EMERITUS

Samuel Tyndale Wilson, B.A., M.A., D.D., LL.D., Litt.D., has been connected with Maryville College as student, professor, President, and President Emeritus since 1873. Although no longer active in collegiate affairs, his service is still a moving spirit and an inspirational guidance to the College. Undoubtedly a most revered figure, Dr. Wilson has contributed more to the cause of Christian education than any other single figure in the long history of Maryville College.

Newness in Thought
Usefulness in Service

Growth, both Spiritual and Social
Appreciation of Beauty and Truth

Mental Alertness
Mastery of Problems
Attitudes of Worth

Leaders and groups find rich experiences in the letters exchanged during the summer, in the five Sunday meetings, and in the associations

on the campus. The fun of hikes, sings, and a breakfast in the woods are events to be long remembered.

Since 1900, the Ministerial Association has served the men of the college who are preparing themselves for full-time Christian service. The activities of the members include leadership in many of the missions and churches in and near Maryville, joint responsibility for

the regular mid-week services on the Hill, and full sponsorship of the mid-day meetings during Holy Week. As an organization devoted to our Saviour's work, it strives to attain an active manifestation of its motto: "Not to be ministered unto, but to minister." (Matt. 20:28).

FEBRUARY MEETINGS

The February Meetings, held February 2-10, 1944, constituted the sixty-eighth series since their inauguration in 1877. This period of spiritual emphasis resulted in an enrichment of the lives of the many who participated.

Rev. Harrison Ray Anderson, D.D., Pastor of the Fourth Presbyterian Church of Chicago, leader of the meetings, won everyone by his presentation of the great spiritual truths demonstrated in his own life as well as in his sermons, forums, and conferences.

Rev. Sidney Stringham, D.D., Pastor of the Shaw Avenue Methodist Church, St. Louis, led the singing for the twenty-second time. The warm welcome he receives each year is testimony to the quality and helpfulness of his service.

Bainonian started this year with an unusually delightful rush week, and maintained throughout both semesters the high position it has held on the hill since its founding in 1874.

The dramatic presentation "Ladies in Retirement" was the climax program for both Bain-

onian and Athenian. This excellent performance was enjoyed by all.

Bainonian Hall is the home of that spirit of hospitality and cooperation that is so important to any college campus. Bainonian is proud of her past achievements and looks forward to many more happy years of friendship.

Having been founded in 1869, the Athenian is the oldest society on the campus, and is recognized as one of the most consistently progressive organizations.

Athenian continued to uphold the highest qualities of leadership in officary duties, in thought, and in scholastic attainment. As through the years, Athenians have achieved

high positions in journalism, forensics, dramatics, and in Y. M. C. A. work.

Features of the year's program were the original skit at the Pow-Wow in the College Woods, the "Girl I Left Behind Me Contest", the annual banquet, and the weekly fests of fun. Athenians at every turn impart to the campus some of that spirit of progressiveness, cheerfulness, and friendship that permeates Athenian Hall.

September saw the beginning of another big year for Theta Epsilon, with a whirl of gay parties, terminating with the gala formal opening. Throughout the year Theta engaged in many social events, presented popular programs each

Saturday night, and joined in meetings occasionally with Alpha Sigma.

The youngest society on the Hill, but certainly not the least, this Theta Epsilon.

The Alpha Sigma Society maintained this year the high ideals, big accomplishments, and wonderful fellowship that have been characteristic of the group since 1882.

"Letters to Lucerne," this year's midwinter production, was given in cooperation with Theta

Epsilon and was acclaimed as one of the best of Alpha Sigma's many good dramatic presentations. Although fewer in number, Alpha Sigma continued to uphold its high standard and lively spirit of enthusiasm.

The Parish Project is an organized effort on the part of Maryville College and its students to render Christian service in the community. Each student receives a regular assignment to a point of service. Forms of service include teaching Sunday school classes, supervising young people's societies, teaching weekday Bible classes in the public schools, and leading Boy Scout and Girl Scout groups. All students attend a class one hour a week during their first year as members of the project. Academic credit is given for satisfactory work.

The usual schedule of intercollegiate sports events, one of the highlights of the college's social life, had to be disbanded this year because of the many limitations of war-time conditions.

The Y. M. C. A.'s Committee on Athletics, however, arranged a fine program of Intramural contests throughout the year to compensate for the loss of intercollegiate sports. During the fall semester, under the direction of Lloyd Anderson, a series of Football and Speedball games were played; while the spring semester found Harold Huffman arranging a schedule of contests in Basketball, Table Tennis, Tennis Doubles, and Softball.

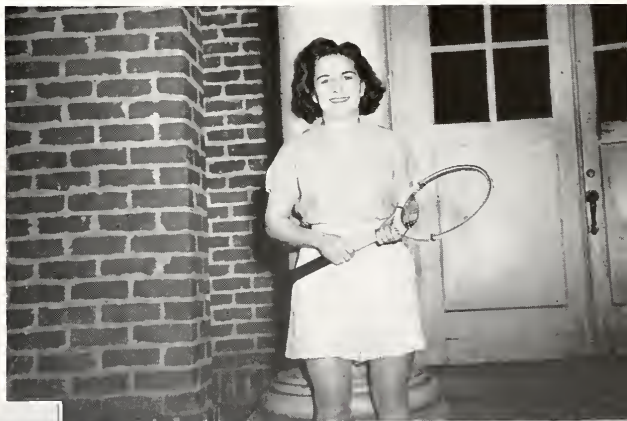

"Are you ready" was boomed out across the court, a ball was served over the net and the volley ball tournament began in all the girls' gym sections last Fall. Each class had its own contest. Teams were formed and appellations like "pistol-packin' mammas" and "paper dollies" were chosen.

In the Spring semester calisthenics found their way back with a tug and a groan awakening muscles we never knew we had.

Outside of routine classes, on the tennis court, in the swimming pool, at point system events, and on over-night "M" club hikes the spirit of athletics flourished.

WAVES

WACS

Point System girls for a second year divided themselves into two teams, and donned military titles. Mrs. Evelyn Queener assisted by Stevie Boretsky ran them through the hurdles of compe-

tition and sportmanship. Results for all those who came through smiling and with four hundred points was membership to "M" club.

for twenty-nine years.

The students now on the Hill and the alumni for more than forty years will see as they look at this picture—a great man.

They will remember him running across the campus early in the morning, cheering at a football game, smiling and talking with a new student. Hundreds will know from their own experience that in any time of trouble he was kind, understanding, humble; that without exception he would "see a fellow through" no matter what the need.

In the field of business and investment he was widely known and highly honored for his keen financial ability and his absolute integrity. His vision for the work of the college and his untiring industry enabled him to bring our college through the difficult years when its endowment was being established, through World War I, through the years of depression, to make it today a business corporation of strength, sound reputation, and notable success.
